Lesson A ~ Picture Study

“Summer Evening” by Adam

Allow the student a few moments to look at the picture in silence.

Ask the following questions to start a discussion:

- What in the picture suggests the title?
- Have you seen places in the country similar to this?
- Which part of the picture is the center of interest?
- What do you see on the other bank of the river?
- What is in the far distance?
- If you were to add to the picture, what would you put to the right? In front? To the left?
