

# God the Father, Creation, and the Fall of Man

## Before the Lesson:

1. Read OHF-4, Ch. 1
2. Read CCC, Prologue
3. Pick a paragraph from the OHF-4 chapter to read aloud
4. Pack your books: OHF-4 and CCC

Attention ALL Parents: Be sure to read these. The readings included here are important not only for co-op teachers, but for parents working with the students during the week at home as well.

## Lesson Goals:

1. To introduce the catechism chapter.
2. To encourage students to practice a healthful process of enquiry about the Faith.

## In Class:

1. Read the chosen selection from OHF-4
2. Discuss the selection for understanding, trying to grasp what it means
3. Ask the students who can come up with the best or hardest question based upon the selection.
4. Take the question to the catechism – look up, read, and discuss the CCC's response
5. Have students stand and recite the "Questions and Answers" aloud
6. Close with a brief prayer that especially reflects the themes of the week.

"Questions and Answers" should be practiced during the week at home.
